

Plain Township Resolution No. 082012-1

T214143212 ✓  
6/19/12

Craig Garrett moved that the following resolution be adopted.

All improvement work has been completed on the storm sewer drainage/private sewer collection tile project on the south side of State Route 95 at the cost of \$7109.69. This Board previously decided by resolution on June 11, 2008, that the cost of said project be divided equally between the eight parcels benefited by this project, being \$888.71 per parcel. Seven of the eight landowners have paid the township the cost attributed to their parcels. The remaining landowner, Kenneth and Donna Flickinger, owner of parcel number 43-00678.000, has not. It is therefore moved that the following be certified to the county auditor in order for the benefited landowners to be assessed pursuant to RC 521.06 and 521.07, said costs not exceeding the special benefits resulting the improvement: *on 2<sup>nd</sup> Half*

*Billing 2011 Taxes.*

Owner: Kenneth and Donna Flickinger    Parcel No. 43-00678.000    Amount: \$888.71
